Practical **A**cademic **C**ase-based **E**ducation

4th & 5th April, 2026
📍 The Koramangala Club, Bengaluru

SCIENTIFIC MEETING GUIDELINES

1. Session Structure (Strictly 10 Minutes Total)

SEGMENT	DURATION	LED BY
Case Presentation	4 minutes	Fellow / JS / SR / Resident
Analysis & Debate	3 minutes	Moderator & Panel
Evidence Review	2 minutes	Evidence Expert
Wrap Up	1 minutes	Moderator
Total	10 minutes	

2. Roles & Responsibilities

ROLE	WHO	RESPONSIBILITY
Presenter	Fellow / JS / SR / Resident	Present case (profile, findings, comorbidities). End with " Pose the Problem "
Moderator	Senior Consultant (Case Owner)	Guide discussion. Open debate with differential diagnosis & management options.
Panelist	6 Experts (2 specialty + 4 non-specialty)	Share opinions. Debate controversies.
Evidence Expert	Young Orthopaedic Consultant	Present brief literature review supporting discussion.

3. The 4-Step PACE Framework (10-Minute Format)

Step 1: Presentation (4 minutes)

- Patient profile, clinical findings, comorbidities, relevant imaging
- End with: **2 clear questions** for panel (e.g., "Operate or not? Which approach?")

Step 2: Analysis (Led by Moderator, 1 minute)

- Briefly discuss differential diagnosis & management spectrum
- Open floor to panel

Step 3: Consensus (3 minutes)

- Panel experts share opinions (30-45 seconds each)
- Panel Director facilitates debate

Step 4: Education with Evidence (2 minutes)

- Evidence Expert: Rapid literature review (2-3 key papers, 2020-2026)
- **Wrap Up (1 min):** Panel Director summarizes key learning points

4. Learning Objectives (The "Mission")

By end of each session, audience should be able to:

- ✓ Review current evidence
- ✓ Analyze a challenging case through structured approach
- ✓ Understand management controversies
- ✓ Take home at least one practical tip

5. Key Reminders

Time is non-negotiable

Moderator will enforce schedule strictly.

Debate is encouraged

Differing opinions make sessions engaging.

Audience interaction

Panel Director may invite questions from floor.
